Family Event Highlights

July 18th was a hot day, but our Family Event at the Reds Game was still fun! We had quite a few energetic little ones there and a new member with his entire family, Dr. James Phero, son of Dr. Jim Phero. Our group stayed to the bitter end to see if the Reds could pull it off, but unfortunately, they did not. Maybe next year if we are there...

Foundation's 5K Run/Walk Event

October 19, 2019 at Lunken Airport

The "Leave No Vet Behind" fundraiser, in memory of Dr. Patty Walter, is right around the corner and it would be super if you could take just three hours of your time to support this worthwhile event. Better yet, bring your entire staff and see which office will win the "Team Spirit" prize. A registration form is included in

this Newsletter or you can register online at: <https://www.runningtime.net/Race/OH/Cincinnati/PattyWalterMemorial5K>

There are sponsorship opportunities available as well. Email Vicki at vicki@cincinnatiadental.org to learn more about how you can still support this event if you are not able to attend!

Annual Dental Screening at Northwest School District's Health Fair

Thanks to Dr. Kyle Boyd, Dr. Joe Crowley and Dr. Emma Hudepohl for volunteering to conduct dental screenings on August 13, 2019 to 45 children. The Cincinnati Dental Society, for many years, has provided the dental chairs, lights, and dental supplies as well as dental referrals for the parents. The toothbrushes and

toothpaste were donated by Crest Oral-B – Thank you! The instructor at the Butler Tech Colerain's Dental Assisting Program, Mary Shelton, was there with five of her Senior students. The morning went extremely well, and we even had Miss Rosie Red stop by for an exam!

Round Table Discussions “Get to Know the CDS”

Yes, we are having a round table discussion format for our annual “Get to Know the Cincinnati Dental Society” event again! We will have five tables, five different topics, and each attendee will have the opportunity to participate in at least two.

So how does it work? Each attendee will pre-select two topics of interest. Each session will last approximately 40 minutes to allow for Q&A. Information from each table will be gathered and shared with all attendees, so no one misses out on the other topics. Same as last year, this will be a high energy, interactive event!

Date:	Thursday, October 24, 2019	CE Hours:	One (1.5)
Location:	Jack Casino, 1000 Broadway Street in River Room A		
Schedule:	6:15 to 7:00 pm	Social and Heavy Appetizers	
	7:05 to 7:45 pm	First Round Table Discussion	
	7:50 to 8:30 pm	Second Round Table Discussion	
Fee:	\$30 per CDS Member, \$35 per Guest (Fee includes 1 drink ticket for Beer or Wine only.)		

“What Does Joe Know?”

By: Dr. Joseph P. Crowley, ADA Past President

Having served on all three levels of organized dentistry, most recently as the American Dental Association president, learn from Joe the issues concerning licensure, legislation and private practice survival. Participants will also have the opportunity to “pick” Joe’s brain and be better acquainted on why being a member of organized dentistry is important to their future and their practice.

Event sponsored in part by:
CARR HealthCare Realty

“Better Off Dead?”

By: Scott Trent, Financial Planner with Skylight Financial Group

When a typical partnership agreement is put in place, there is an immediate transfer of ownership, profits, and wealth. There is also an immediate transfer of liabilities and risk. Many practices have addressed the risk and potential financial impact of losing a partner or associate due to death, but what about the risk that the ADA says has a 1 in 4 chance of knocking on your door? Learn ways to protect your practice, as well as tips on recruiting and retaining top talent into your organization.

Participants will learn:

- Protecting the Practice from Unfunded Liabilities
- Potential Pitfalls When Hiring an Associate or Creating a Partnership
- Avoiding a Possible Fire Sale

“Dental Insurance: Common Problems and How to Address Them”

By: Christopher Moore, Director of Dental Services and Eric Richmond, Director of Legal and Legislative Services with (Ohio Dental Association)

Studies have shown that individuals who have dental benefits are more likely to go to the dentist, take their children to the dentist, receive restorative care and experience greater overall health than those who do not. While having dental insurance or some other type of coverage enables patients to perceive that they can obtain dental services they otherwise might have felt is out of their reach, it can also present problems for dental practices that are trying to assist their patients in utilizing their dental benefits. This presentation will speak to current dental benefits related issues affecting Ohio dentists and offer solutions to successfully address them.

Participants will learn:

- The area(s) most likely to cause dentists problems with respect to claims and insurance company scrutiny.
- The current status of the ODA’s legislative and dental insurance advocacy efforts.
- About in-office dental plans or membership plans and legal factors to consider in installing them in a dental practice.
- Answers to their legal questions.

“The E-Cig Challenge: Why is it so hard to understand these devices and convince people to quit?”

By: Beth Monnin, RDH, MSED, Assistant Professor of Dental Hygiene,
The University of Cincinnati Blue Ash College

Electronic Cigarettes have been in the US market for over 10 years and the rate of use, especially in our youth, has continued to increase. Did you know that there is controversial research about the use of eCigarettes as quit aids, even though almost all devices still contain nicotine and harmful chemicals? Let's collaborate as a dental community to combat the usage of vaping, especially among our youth.

Participants will learn:

- A very brief history of how eCigarettes emerged and the chemical composition
- Recent statistics of the use of eCigaretters
- New research and new laws of vaping
- Why the dental community should care A LOT?

“The Importance of Hiring Representation”

By: Patrick McGonigal, Sales Agent with CARR Healthcare

A commercial real estate transaction can either catapult or cripple your business. As one the highest expenses of healthcare practices, a real estate negotiation needs to be handled by an expert. One small mistake on a lease or purchase can cost hundreds of thousands of dollars. The importance of hiring the right real estate professional is critical to your business.

Participants will learn:

- What to expect when leasing or purchasing a commercial property.
- The process of commercial real estate.
- Who should I be talking to when considering commercial real estate?
- Current Market Conditional in Greater Cincinnati.
- Do's and Don'ts to commercial real estate.
