Everything Insurance Should Be®

BY VICTORIA J. NIXON, MSA
Executive Director

Happy New Year! Doesn't it feel like it was such a long time ago we were bringing in the new year! Though, just last Friday we brought in the new year with our annual celebration and awards night, and it was so much fun. The venue was absolutely amazing, and the food was fantastic as well as the service, so we have decided to have the celebration there again next year (January 17, 2025).

We installed our officers for 2024, which are the same as 2023, and we cannot thank them enough for offering to volunteer to serve again. We thanked Dr. Terrence Poole with a plaque for serving on Council from 2018 to 2023. Along with this acknowledgement were Dr. Bindu Badlani, Dr. Stacy Blume, and Dr. Bryan Osterday for being out of dental school for 25 years. And, let's not forget Dr. Manny Chopra and Dr. Monica Newby for becoming Life members in 2023!

Not always does a new year come with change, but this year does for our quarterly Bulletins. Instead of having four President's Messages, there will be only one in the July publication. But don't worry you will still hear from me, the Membership Committee and Program Committee Chair and Co-Chairs.

Another change for this year is instead of having five full day continuing education courses, we will have four, all at the Delta Hotels by Marriott. Then in 2025 down to three. You may ask why. The main reason is registrations are down and without jeopardizing the quality of our speakers we decided to reduce the number of speakers per year versus eliminating them altogether. There are still many of our members that enjoy coming to a live lecture, and we don't want to take that away from them. But, the good news is we have not reduced the number of CDS Member

Events, which continue to be popular and are complimentary for all CDS members.

Now, let's review the new CE requirements.

According to the Ohio State Dental Board, dentists and hygienists can obtain their CE hours as follows:

- ✓ Dental Education and Scientific Courses – No maximum.
- ✓ Mandatory Opioid Prescribing Education – Minimum 2 hours.
- ✓ Non-Clinical Dental Practice Related Continuing Education – Maximum 6 hours.
- ✓ Papers, Publications and Scientific Presentations – Maximum of 4 hours.
- ✓ Teaching and Research Appointments – Maximum 4 hours.
- ✓ Volunteer Service as a Clinician – Maximum 10 hours.
- ✓ Table Clinics – Maximum 2 hours.

For detailed information, visit the OSDB website, <https://dental.ohio.gov/continuing-education#ContinuingEducationRequirements>

I always encourage our members to share this Bulletin with their dental staff and to call me if you have need assistance or have any questions. If I don't know the answer I will find someone who does!

Take care and I hope to see many of you at our February and March CDS Member Events as well as our first CE course this year, March 1, 2024!

September 11, 2023 Council Meeting Minutes

Secretary: Dr. Mary Hanlon

Call To Order:

The September Council Meeting was held via Zoom on Monday, September 11, 2023. President Dr. Andy Dorr called the meeting to order at 6:30 pm.

Roll Call:

Members Present: Drs. Bennet Jr., Dorr, Hanlon, Heck, Kelley, Khetarpal, Murphy, Osterday, Parker, Perrino, Schaeffer, and Wauligman.

Members Absent: Drs. Brandt, Dagher, Newby, Poole, Stadiem, Wessel, and Yauss.
Executive Director Ms. Vicki Nixon present.

A quorum was present. The April 3, 2023 and June 5, 2023 minutes were approved as posted.

President's Report by Dr. Andy Dorr:

- Dr. Dorr summarized recommendations of the Dues Category Task Force Meeting. Approval was given (Murphy/Parker) to the reinstatement of "graduating" and "life member" dues categories for 2024. The status of a local "group employee" category depends upon ODA level discussions.
- A lively discussion regarding "future leadership role vacancies" was held. The Nominating Committee has been unable to submit their annual report due to a lack of nominees for the positions of Vice President, Treasurer and Secretary. Two vacancies on Council are also anticipated. All CDS members are urged to consider a more active role in defining the future of the profession by volunteering at the local Council, Committee and/or Task Force level(s). Ask Vicki about the exciting opportunities available!

Treasurer's Report by Vicki Nixon (for Dr. Newby):

- Preliminary Financial Statements (through August 31, 2023) were reviewed. Various factors are influencing the financial health of the CDS, including a decrease in income and an increase in expenses. Current reserves will cover the anticipated deficit for 2023.
- The 2022 990's were reviewed and approved (Dorr/Wauligman).

Executive Director's Report by Vicki Nixon:

- The Young Member Event (Oscar Event Center at Jungle Jim's) is scheduled for October 4, 2023. Please promote this fun for all get together!!
- The 2024 CE booklet is now available on the society website. The printed format will be arriving in the mail soon. Please take advantage of the opportunity to see world class speakers in person by registering today.
- Vicki will be working remotely while recuperating from her upcoming surgery.
- The ramp has been removed from the front of the office condominium. Railing will be installed in the near future.

CDS Committee Updates:

- *CDS Oral Health Foundation:* Vicki confirmed (for Dr. Brandt) a call for nominations for the Jack Gottschalk, DDS, Notable Service Award. The next meeting of the CDS OHF is scheduled for October 30, 2023.
- *Finance:* Vicki Nixon (for Dr. Newby) reported as above.

September Council Meeting Minutes *(continued from Page 6)*

- *Membership Committee:* Vicki Nixon (for Dr. Yauss) presented the following new members: Drs. Kaitlin Blomer, Darcie Bradley, Maria Bustamante, Tyler Deitrick, Savanna Driller, Courtney Favaloro, Adam Gottschalk, Nishir Kumar, Marcell Lesueur, Krishma Patel, Nicole Piening, Alexis Powers, Abdul Raslan, Natalee Richardson, and Todd Thurman. The July CDS Social was well attended, especially by specialists. It was a great time to mingle and meet new colleagues!
- *Program Committee:* Dr. Murphy reported that the next meeting is in October, 2023.

ODA Updates:

- *Council on Access to Dental Care:* Nothing to report.
- *Annual Session:* Nothing to report.
- *Council on Dental Care Programs and Dental Practice:* Dr. Heck reported the next meeting will be in November.
- *ODPAC:* Dr. Schaeffer confirmed higher support levels during this election year.
- *ODA Membership:* Vicki Nixon (for Dr. Yauss) updated Council on the latest statistics regarding Ohio's dental market share and ongoing grassroots efforts to increase awareness of the benefits of membership in organized dentistry. Grants are still available for innovative recruiting ideas, including events and electronic publications
 - Subcouncil on Diversity: nothing to report.

Old Business/New Business: None

Announcements:

- September 14, 2023-Subdistrict 9 Meeting via Zoom;
- October 4, 2023-Young Member Event at Oscar Event Center at Jungle Jim's;
- October 9, 2023-CDS Member Event at Fueled Collective;
- October 27, 2023-CE with Brian Novy, "Offensive Dentistry" and "Nobody Caries";
- November 3, 2023-Regulatory Compliance (OSHA) course with Chris Moore at Sharonville Convention Center;
- November 6, 2023-Council Meeting (Live);

Dr. Dorr adjourned the Council Meeting at 7:55 pm.

The Cincinnati Dental Society

November 6, 2023 Council Meeting Minutes

Secretary: Dr. Mary Hanlon

Call To Order:

The November Council Meeting was held on Monday, November 06, 2023. President, Dr. Andy Dorr, called the meeting to order at 6:50 pm.

Roll Call:

Members Present: Drs. Bennet Jr., Brandt, Dorr, Hanlon, Heck, Kelley, Khetarpal, Murphy, Newby, Perrino, Schaeffer, Stadiem, Wauligman and Yauss.

Members Absent: Drs. Dagher, Osterday, Parker, Poole, and Wessel.
Executive Director Ms. Vicki Nixon present.

A quorum was present. The September 11, 2023 minutes were approved as posted.

President's Report by Dr. Andrew Dorr:

- Dr. Dorr summarized the ODA At-Large openings for terms beginning September 13, 2024. Duties for Dental Care Programs and Dental Practice and Membership Councils were summarized. All interested members should reach out to Vicki Nixon by December.
- There are openings on the Ohio State Dental Board. If interested in applying, submit a CV to Dave Owsiany at The Ohio Dental Association.
- The report of the Nominating Committee, summarizing appointments for the 2024 Executive Committee, Council and Finance Committee was discussed and approved (Murphy/Newby). ODA Delegate appointments were also discussed.

Treasurer's Report by Dr. Newby:

- Council approved a motion to increase to \$500 the amount of recurring operational disbursements that Vicki Nixon may individually authorize (Newby/Wauligman).
- A preliminary 2024 budget was presented. It will be reviewed by the Finance Committee and subject to a vote by Council at the December meeting.

Executive Director's Report by Vicki Nixon:

- The CDS's New Year's Celebration and Awards night is scheduled for January 12, 2024 at The Transept. In addition to installing the 2024 officers, members who have been out of dental school for 25 and 50 years, life members and recently retired members will be honored. Honorees will enjoy special pricing as Council's way of saying "thank you" (Wauligman/Dorr).
- The preliminary 2024 Master Schedule was distributed and reviewed. It will be disseminated to all members pending final approval.

CDS Committee Updates:

- *CDS Oral Health Foundation:* Dr. Brandt announced our next Leave No Vet Behind screening (expanding to include Butler County) will be held in the spring. The services of oral surgeons and endodontists remain in high demand. Please consider giving back to those service members in the greatest need. The "Foundation of Smiles" will be providing orthodontic care to four patients this year. Efforts are under way to include coverage for cleft lip/palate cases. There are funds available through the CDS OHF for anesthesia reimbursement for pediatric cases. Please reach out to Vicki Nixon for more information. Funds from the CDS OHF will help supply some of the dental supplies and

- equipment used in the Roberts Academy school-based dental center, to open next year. The latest recipient of the “Jack Gottschalk, DDS, Notable Service Award” is Francie Wolgin. Her efforts with school based dental clinics are unmatched. Congratulations, Francie!
- *Finance:* Dr. Newby reported as above.
- *Membership Committee:* Dr. Yauss welcomed one new member, Dr. Benjamin Evans. The CDS New Dentist Event, held in October, was well attended. Seeing so many new faces made the night more enjoyable for all! The Committee meets again in November. Council is eager to hear of some new updates.
- *Program Committee:* Dr. Murphy announced that due to the decrease in CE requirements, the CDS will be offering only four courses in 2024. Our October CE event was well attended and very well reviewed. Make plans to attend next years courses. It’s a great way to hear world class speakers and get the latest product/service information from our sponsors.

ODA Upaates:

- *Council on Access to Dental Care:* Nothing to report.
- *Annual Session:* Nothing to report.
- *Council on Dental Care Programs and Dental Practice:* Nothing to report.
- *ODA Membership:* Dr. Yauss confirmed a meeting later this week. The deadline for tripartite dues payments has been changed to March 31st.
 - Subcouncil on Diversity: Dr. Khetarpal reported on efforts to devise another entertaining and informative event for next year’s Annual Session meeting.
- *ODPAC:* Dr. Schaeffer announced an increase in Medicaid reimbursements beginning in January, 2024. Thanks to our member volunteers and everyone at the ODA for the tireless advocacy needed to make this happen.

Old Business/New Business:

Dr. Khetarpal gave a summary of the events at the recent ADA House meeting.

Announcements:

- November 17, 2023-CE Course with Drs. Jimmie Harper, Jr., and Deepak Krishnan
- December 04, 2023-Council Meeting (Live)

Staff Invited: Dental Hygienists, Dental Assistants and Administrative Personnel of registered dentists.

CE Credits: Six (6) CE Credits Hours

Gerard Kugel, DMD, MS, PhD

First Course Description: The Future of Dentistry-It's 3D Printing Do you understand 3-D printing? Are you considering going completely digital? Are you making your own surgical guides or orthodontic appliances? Have you considered printing your own PPE? This course will introduce what you need to know about 3-D printing! We'll cover the basics to advanced-level methods of using intraoral and optical scanning techniques. 3-D printing techniques and methods for fabricating surgical guides will be discussed. Emphasis will be placed on relatively inexpensive desktop grade 3-D printers and fabricating dental models for pennies! This course will present a practical approach to incorporating 3D Printing into your everyday dental practice.

Learning Objectives:

1. Understand 3D printing as it relates to dentistry, its advantages, and limitations.
2. Learn which materials work best in 3D printing and for which applications.
3. Develop realistic expectations for 3D printing; understand printing models for C&B, temporaries and more.

Second Course Description:

Adhesive Dentistry & Bioactive Materials There is a plethora of bonding agents and cements on the market. This program reviews new materials and techniques in an effort to improve our treatment outcomes from prevention to restoration highlighting bioactive/biomimetic materials. We will review techniques and tools to enhance the long-term maintenance of your patients' dentition and help prevent the need for future restoration. Questions are arising as to the longevity and appropriateness of our current resin material systems and the new generation of bonding agents. Researchers have begun to develop advanced acid-based restorative alternatives to help with the limitations we see with our restorative and luting needs. We will discuss these new materials and how they can help us produce more long-lasting bioactive and protective restorations as well as improve our bonding results.

2024 Calendar of Events *(continued from previous page)*

Topics covered:

- Advantages & disadvantages of the different generations of bonding.
- Self-etch and enamel bonds.
- Avoiding post-operative sensitivity.
- Research data.
- 6th and 7th generation bonding are they really better.
- Understand why resin bonded restorations and bonding systems are being questioned.
- Learn what bioactive materials are and how they work.

Learning Objectives:

1. Learn to improve bonding techniques.
2. Learn to avoid post-operative problems.
3. Review recent bonding data.
4. Learn what bioactive materials are.

About the Speaker:

Gerard Kugel, DMD, MS, PhD, Associate Dean for Research and Professor of Comprehensive Care at Tufts University School of Dental Medicine. With an expertise in Clinical Research and Esthetic Dentistry, he is a reviewer for The New England Journal of Medicine, JADA, The Journal of Esthetic and Restorative Dentistry, and the Clinicians Report. He is on the Editorial Board of The Journal of Cosmetic Dentistry, Compendium, and Inside Dentistry, where his is Editor Emeritus. He is a Fellow in the Academy of General Dentistry and the Academy of Dental Materials. Dr. Kugel has his PhD in Dental Materials. He earned his Executive Certificate in Management and Leadership from the Sloan School of Management at MIT. Dr. Kugel has published over 150 articles and over 300 abstracts in the field of restorative materials and techniques. He has given over 400 lectures both nationally and internationally. Dr. Kugel is part of a group practice, the Trinity Dental in Boston, MA.

DeWit Wilkerson, DMD

Course Description:

We face a severe health crisis, which is a much larger pandemic than Covid19! The western lifestyle of poor diet, lack of exercise, excessive weight, high blood pressure, diabetes, smoking, stress, periodontal & periapical oral disease, breathing disordered sleep and GERD, are examples of the co-morbidities which put every one of us at risk in a viral world! Dentistry is the medical specialty of oral medicine. Oral health is directly related to complete health: the oral-systemic connection. We must ask: "How we can stand on the frontlines fighting the health crisis that is destroying our nation?" The answer is through developing a new model that integrates Dentistry & Medicine = Integrative Dental Medicine (IDM). This model must create both healthier patients and practices(\$). Dr. Wilkerson will discuss his 10 years of research and clinical implementation, the subject of his bestselling book entitled, "The Shift, the Dramatic Movement Toward Health Centered Dentistry". Learning.

Objectives:

1. Introduce the 3 pillars of IDM.
2. Introduce the IDM Checklist
3. Introduce a business model for IDM.

Questions:

1. T or F There is a link between systemic inflammation, TMD & sleep disorders. (true)
2. T or F The #1 cause of systemic inflammation is smoking. (false)
3. T or F Breathing disordered sleep can be a cause of morning headaches. (true)
4. T or F Oral pathogens are associated with vascular atherosclerosis. (true)
5. T or F It is overkill to use systemic antibiotics for elevated oral pathogen levels. (false)

About the Speaker:

Witt grew up in St. Petersburg, Florida, where he spent many hours on the golf course. He played with the golf team at the University of Florida. After completing dental school at UF in 1982, he joined the prestigious practice of Dr. Peter Dawson. Over the past 30+ years, Witt has taught classes at the Dawson Academy, where over 40,000 dentists have studied Occlusion, Restorative Dentistry and TMD. The past 10 years Witt's focus has been directed toward elevating Dentistry as a true specialty field of medicine and complete health, coining the term: "Integrative Dental Medicine" (IDM). He recently founded the IDM Scholar Society (idmscholarsociety.com) and authored The Shift, the Dramatic Movement Toward Health Centered Dentistry. Witt and his wife Patricia have been married 43 years, have 3 children and 3 grandchildren. The family enjoys attending UF Gator football games and travel together.

How long do I have to keep my dental charts?

The Supreme Court of Ohio recently upheld the constitutionality of the state's four-year statute of repose in medical and dental malpractice actions. A statute of repose is a provision that sets a time frame in which a legal right extinguishes. In other words, the statute of repose places an effective time limitation on when dental malpractice suits may be filed against a treating dentist. Ohio's statute of repose bars actions filed more than four years after the date of treatment, except in the case of those patients who are mentally infirm and with minors, in which case the four years begins to run upon emancipation.

Dentists had previously been instructed to retain patient records indefinitely to aid in the defense of a lawsuit. However, this favorable court ruling may help relieve dentists' record-keeping burden. There may be circumstances where a dental office must maintain records for a certain period of time; for instance, the retention requirement for Medicaid records (6 years) and Medicare records (7 years). Participating provider agreements also generally specify record retention requirements, as well as many professional liability insurance agreements. Dentists are encouraged to obtain guidance from legal counsel and their malpractice insurer prior to the disposal of any patient records and to seek guidance on establishing a new record retention policy.
