

Save-the-Date

“CDS Social”

Here's a chance to meet your colleagues in a casual atmosphere, not at a meeting or continuing education program. Just show up, grab a drink, and mingle!

Our first “CDS Social” for 2025 will be held at the MadTree Brewing's new location at Summit Park in Blue Ash on Thursday, April 3rd beginning at 6:30 pm.

Want to attend, but only have an hour to spare? No problem. No need to stay for the entire time, but we have found with previous socials, everyone has so much fun they stay until the end!

This event is open to all members. However, we encourage our new dentists to take advantage of this opportunity to meet other dentists and specialists in your area!

Everyone will enjoy a complimentary beverage on the Society!
